

455B.104 Departmental duties — permits — assistance.

1. The department shall either approve or deny a permit to a person applying for a permit under [this chapter](#) within six months from the date that the department receives a completed application for the permit. An application which is not approved or denied within the six-month period shall be approved by default. The department shall issue a permit to the applicant within ten days following the date of default approval. However, [this subsection](#) shall not apply to applications for permits which are issued under [division II](#) or [division IV, parts 2 through 7](#).

2. The department shall assist persons applying for assistance to establish and operate renewable fuel production facilities pursuant to the value-added agriculture component of the grow Iowa values financial assistance program established in [section 15G.112](#).
